Pharma Tech Outlook Names TRI Top eClinical Trial Management Solution Provider

Bethesda, Maryland (July 2018):

TRI is pleased to announce that *Pharma Tech Outlook* has recognized TRI as a **Top 10 eClinical Trial Management Solutions Provider** for 2018. With several Clinical Trial Management Systems available, the award distinguishes solution providers offering extensive knowledge and innovative processes to maneuver the dynamic eClinical landscape. TRI's acute understanding of the dynamic challenges and requirements in the drug, biologic, and medical device development industry allows TRI to successfully guide clients through an increasingly electronic clinical trial management space.

Pharma Tech Outlook is a monthly publication bringing forth real world solutions, news and insight into the pharmaceutical and drug development space. With industry leading contributors *Pharma Tech Outlook* brings together a unique network of peers who share experiences, ideas, and techniques with each other and the larger scientific community. The magazine continuously contributes to the transformation of innovation into technologies and services within the Life Sciences sector.
