## TRI is Honored Among the Inc. 500 | 5,000

Bethesda, MD (August 13, 2013) - Technical Resources International, Inc. (TRI) is honored among the Inc. 500 | 5,000 fastest growing privately owned companies in the U.S.

According to *Inc.* magazine, the list debuted in 1981 as a ranking of the 100 fastest-growing private companies in the U.S. The following year, it expanded to the Inc. 500 and, in 2007, the Inc. 5000 was inaugurated. Through each evolution, *Inc.* has sought to celebrate the creativity, dedication, and hard work of entrepreneurs and their crucial contribution to American prosperity.

"Congratulations to you and your team. You should be proud of all Technical Resources International has achieved to date," Eric Schurenberg, Editor in chief *Inc.* magazine.

**About TRI:** Technical Resources International, Inc. is a full-service contract research organization. TRI's areas of expertise include clinical trials operations, communications, consulting, data management & biostatistics, information technology, quality assurance, regulatory affairs & medical writing, safety & pharmacovigilance, and toxicovigilance & health assessment. For over 33 years, TRI has provided support to government agencies, the private sector, and non-profit organizations. Further information is available at [www.tech-res.com](http://www.tech-res.com).
